- The Game Glossary was also updated to reflect new games. Both are on web site.

QCLGA 2023 CALENDAR

- The QCLGA 2023 calendar has been completed. This calendar was worked with the QCMGA, QC9LGA and Pro Shop. We were able to reduce the QCMGA trades days

from six to two. The other trade days we were able to agree upon shotgun times where both leagues were able to use the course on the same day.

REVERSE SHOTGUNS

- Following closure of the Coyote course on March 28th, the QCLGA we will be going to “Reverse Shotguns”. Our first event using this method will start on March 31st with our “Shipwreck” event. “Reverse Shotguns” is a method utilizing tee time slots by doubling up (A and B placements) on holes. In our case, it will be eight holes on the primary course. Our Pro Shop has not used this model or concept. It is the hope of the Pro Shop that they can open tee times at 10:30 a.m. on the secondary course
- The QC9LGA will be utilizing tee times with ten-minute intervals, starting at 8:10 a.m.

UPCOMING EVENTS:

- We have four upcoming events:
 - Three-Day Club Championship (March 17th, 22nd, 24th) Currently, we have 41 participants
