Secretary: Terri Erickson - no report

Treasurer: Marie Cook - not present

Past President: Jacquie Owens

- Currently the Robson Challenge is scheduled for November but there have been no replies to the emails and no definitive date set.
- A discussion ensued about having positive dates by the end of each year before the calendar is finalized.
- The Tournament Committee will discuss the need for “qualifiers” for the tournaments.

Tournament Chair: Deb Riddell

Pick Your Partner Events

- In 2023, out of 51 playdays, 13 playdays are scheduled as PYP events. Most of our PYP events are scheduled in the summer (to support faster pace of play because of the heat) and the end of the year (to support lower participation because of the holidays). PYP events remain our most participated events of the QCLGA.
- There are, unfortunately, issues that arise when a single signs up, then does not accept who she is partnered with and pulls out.
- The board agreed that Deb should write something up for the members so that they may “be aware of the difficulties”. It will also be put on the next general meeting agenda for discussion.

QC Golf Leagues Migration/Transition to New Golf Genius (GG) Premium Version

- The QCCC Pro Shop has purchased a Premium Golf Genius account. Work is ongoing to build the necessary levels in Golf Genius to support migration of the various QC Golf Associations and Leagues to the new account.
- One of the key features is the capability to do mobile digital scoring on a mobile device.
- Timeline: The QCLGA will be in full production with the new version by January 1st, 2023.
- Production of Digital Scoring will be offered as an option for scoring our events. Printed scorecards will also be available and players will be trained in the new system.

QCLGA Team Challenge...May 24th and May 26th

- Currently we have 36 signed up for our event.
- Josh has agreed to provide the Pro Drive on day two on Quail 5.
- Since this is one of our major events, we may want to think about moving it to a date where we would obtain more participation.

COMMITTEE REPORTS

Handicap Chair: Jan Delcour, not present, no report

RBC: Brenda Allred, not present

- Cheryl Opsal will collect, scan and send the scorecards to Brenda Allred for inclusion in RBCs this summer.
- Discussion ensued regarding changing the RBC year from November through November to January through November so that Golf Genius can support the majority of the data. It would still be completed in November to be prepared for the Holiday Luncheon and Awards Ceremony.
